CLUB NEWS

PHIL MILLER

Phil Miller sadly passed away aged 86 on Sunday 31st May 2015, after suffering from ill health for several years.

Phil joined the Club when he retired after a long and distinguished career as a Stress Engineer in the aircraft industry. He soon became a walks leader and would undertake walks of 12 miles or more. One of his favourite walks was along the chalk cliffs on the South Downs over the Seven Sisters. He served on the Walks Sub-committee planning the long walks.

We offer our sincere condolences to his wife Jean and their daughters Hazel and Sarah.

YOUR CLUB NEEDS YOU

Would you like to join our walks sub-committee as the planner for the Sunday half-day walks?

This would entail selecting about 6 suitable walks per quarter, proposing them at the walks sub-committee, and contacting walks leaders to allocate walks. Fellow members will show you what to do and mentor you. They will give you all the source material. The committee meets once a quarter and the final agenda item is always "Tea and Cake"

We also need leaders for short walks. We will show you what to do and give you suitable training. We will help you recce your walk and if need be accompany you on your walks until you have built up confidence. If you can read a map and compass you have all the right skills- so no excuses!

If you would like to be either the walks planner or a leader, please contact Jenny Underwood; email: underwood@waitrose.com or phone (01784 456 775).
